

Dara,

Please find below our testimonial.

Thank you so much for all your help.

Mr A E Bridge & Mrs C C Bridge

Having thought about moving several times over the last couple of years we felt it was time to move on to bigger and better things. We moved to Ingleburn 11 years ago from the U.K. So when people say moving can be one of the most stressful situations in a person's life nothing compares as to moving from one country to another.

Dara, from Dhillons Real estate was excellent, patient, prompt and professional just what you want in an agent. He also has a good database of clients, some are waiting for that "right house" or "that right area" and he is honest with his feedback, and is always available in case of "what if" questions need answering.

He discussed all the options thoroughly that were available to us, lets you know his plan and how he will work for you.

I would most definitely recommend Dara in the highest degree, his local knowledge and his keen interest's keep him on the ball at all levels of property management not just locally but state wide, nationally, and internationally.

Thank you Dara, a job well done, you managed to sell our house in a very short space of time and when there were 3 interest rate increases, you even managed to get the price we asked for in such volatile times for real estate.

Best Regards

Tony & Clare Bridge
